A reminder that tomorrow (Friday) is the last day of term with school finishing at the usual time of 3pm. Term 2 commences Monday 30 May at the usual time of 8.55am. While discussing time, a big thank you to those parents/families that get children to school everyday and before 8.55 each morning. This ensures children make a positive start to the school day and maximise learning time.

Anzac Service

We will be holding our annual service at 9am on Wednesday 25 April at the Hornby War Memorial on Waterloo Rd. Each year the crowd gets bigger and we would love to see another big turnout this year - put this date in your diary! Tea and coffee will be served in the staffroom after the service.

Concerns Procedure

If you have a concern about anything regarding your child, please follow the steps below

1. Contact your child's teacher and discuss.
2. If this does not resolve your concern, contact the team leader:
Barb Myall - Junior Team or Kate Mclachlan - Senior team
3. If your concern is still not resolved, contact the Principal.

Sports Fee

Reminder that sports fee (\$50) needs to be paid in full by the end of Term 3.

Learn Create Share

In Room 10 we have been learning about Pop Art. This was a movement that was made popular by Andy Warhol. Some things we learnt were that it is bright and colourful, it makes the ordinary look extraordinary, you change colours for different pictures and their is usually a block colour background. We had the chance to create a piece of pop art using our faces. First we had to trace the main lines of our face 4 times, then we had to add the colour. To share our work we have displayed them in the class. Some people have put their pop art on their individual blogs. Another way of sharing our work is to have it in the newsletter.

Hornby High School

There will be an **Information Evening** (for Year 6s) on Tuesday 15 May in the Auditorium. There will also be having an **Open Afternoon** on Wednesday 16th May from 12:30 - 2.30pm (Simon Scott)

Hello Hornby Primary Community

Recently we had some changes of roles in our Board. I have taken over the role of Chairperson from Joy Scarlett, who after several years of loyal service has decided to step down. I will continue with the property role and look forward to continuing to serve our community. Joy is continuing on the board with the role of policy review. Gary Roberts (Principal), Kate Mclachlan (Staff Rep), Sonny Mokokoko (I.T, and Health and Safety) and Tracy Marsh (P.S.G and Finance) make up the balance of the board structure.

Regards Brent

Monday 30 April	First day of term 2

Wow!!! Talk about a temperature drop. Hopefully it won't last and the holidays will be fine. The children were all sooo disappointed when the Cross Country was cancelled. Room 9 have been busy with a lot of Art work this term. There are some children who show a really good sense of colours, designs and perseverance. Feel free to have a look in next time you walk past our room. It has been great to see that everyone in Room 9 will be involved in the PB4L Choice Afternoon today, as will just about all the other children at school. They earn this privilege by just doing the right thing in the class and playground, using the school's values. Next term Room 9 is focusing on gymnastics/parkour/dance. I can handle the gymnastics and parkour but if there is anyone who can help out with dance it would be appreciated. Look forward to seeing you all again in Term 2. Thanks to all who contributed to our shared lunch. The children had a great feast.
