The term is coming to an end – where has it gone? Our last day is Friday 7 July and school will be finishing at the usual time of 3pm. Term 3 commences Monday 24 July at 8.55am.

Reading Together

This programme is a researched based workshop programme for parents and children. It helps parents to support their children's reading at home more effectively. The workshop gives parents practically ideas and strategies for reading with and to and their children. Some comments from parents after attending these workshops this year are: "we are enjoying reading at home" "strategies are very helpful" "I know when to get them to read and don't force them if they are not ready". Mrs Myall will be running another workshop next term – there are 4 sessions of approximately 1 hour. Please contact the office or Mrs Myall if you are interested in attending this workshop.

Learn Create Share

On Thursday 6 July all of our classrooms will be open from 12-12.30pm for parents, families and visitors. Children will be sharing their Term 2 learning. We would love you to visit as many classrooms as you can, you don't have to have children in the room to visit. At 12.30pm everyone is invited to the hall for a short Learn Create Share presentation by the management team. We will share what is happening, especially in our digital classrooms and the effects it is having on your child's learning. At 12.45pm there will be a shared lunch with children and we hope as many parents and families as possible will be able to join us.

Reporting: National Standards/Learning Conferences

Note: Room 10 will have reporting early next term when Miss Millard returns. If you have not returned your interview slip, please get it to your child's teacher tomorrow so we can book you a time. Reminder that school will finish at 1.45pm on both Wednesday and Thursday next week for meetings.

Sports Fee

A reminder that the \$50 sports fee is due by the end of the term. Payment details can be discussed with Kersten at the office.

Lunch Cafe

We would like to thank the Salvation Army for their kind donation of bread every week for the children to make their sandwiches.

Pride Of Workmanship Award (POW)

Last Wednesday the Hornby Rotary Club held their annual Pride of Workmanship Awards. Suzanne Cassidy, our English Language Assistant, received the award representing Hornby Primary. Suzanne has been a valued member of staff since 2000 and is well respected by children and staff alike. Congratulations Suzanne – thoroughly deserved!

Wahi Ako

Almost the end of term and there are a lot of things coming up in the next two weeks. Make sure you keep up-to-date by checking out the Upcoming Events part in this newsletter. Wahi Ako has been busy looking at keeping healthy and active. We have seen some great Sports projects. The children have used a lot of different ways of sharing their information, using their chromebooks to make slideshows, thinglinks, powtoons, and making posters. They know a bit more about their skeleton and their blood, and they found out about healthy foods (especially what goes into a healthy lunch-box). At our open classroom in the last week of term they will be able to show you some of the things they have been working on. We look forward to seeing some of you next week at Parent/Teacher/Child meetings, and hope to see some of you in the last week at the open class day.
