

23 February 2017

Tēnā koutou, talofa lava, bula vinaka, namaste, malo e lelei, kia orana, ni hoa, sābaai-di, magandang umaga, xin chao, salam, sour sdey, kumusta, greetings

Redevelopment is progressing well with internal plywood, building paper and insulation well underway. Aluminium joinery has also commenced. It is anticipated that joinery, roofing and wall cladding will be completed by the end of February.

The Hornby Pasifika ECE had the official Sod Turning ceremony last Friday. The centre will be open for instruction in early March. We have enrolment packs at the school office.

Yr 4-6 Goal Setting Meetings

These important meetings will be held Tuesday 28 February and Thursday 2 March. Please return your slip to your child's teacher so we can book you a suitable meeting time. Confirmed meeting times will be given to your child tomorrow. These meetings are for children and parents where numeracy, literacy and personal goals will be set for the year. We value your input and with your support there is more likelihood that your child's learning goals will be achieved.

Learn Create Share

Room 10 have been learning about Cybersmart with our Manaiakalani Outreach Teacher Mr Mark Maddren.

Being CyberSmart empowers our learners as connected citizens, and their learning as visible and accessible, anytime, any place, at any pace. Cybersmart young people learn to make smart decisions in digital learning environments and understand that every time they connect, collaborate and share online it combines to create their digital footprint (Manaiakalani).

LEARN: how to be in the 'right' place at the 'right' time, and keep safe.

CREATE: a digital learning object (DLO) showing how to do the 'right' thing online and keep safe.

SHARE: children will share their DLO with others and post it on their blog.

Trusted Trekkers

Congratulations to our 2017 Trusted Trekkers

Back row left to right: Nature Rewha, Ricci Newton-Whare, Atalasa Tuliakiono, Talia Taurua

Front row left to right: Addyson Sinclair, Ranit Lal, Waisea Henry, Mikayla Falconer, Lyan De Guzman, Shontelle Templeton

Room 10

Kia Ora,
Thank you to everyone who attended our “Meet the Teacher” evening last Wednesday, it was great to meet all of our new community members and touch base with our existing parents/caregivers as well. Week Four has been action packed for the Hikers who went on an amazing trip to the Imagination Station and the Margaret Mahey Playground. This fantastic weather has meant that all of our students have had ample opportunity to use our school swimming pool. We wish to keep this up for the remainder of Term One provided the weather keeps producing these beautiful days. Please make sure that your child has their cap, goggles, togs and towel at school every day so that they can make the most of this opportunity. A wee reminder that the Trekkers have got their goal setting meeting next Tuesday and Thursday from 2pm onwards and it is essential that you attend with your child. We look forward to discussing and achieving these goals throughout the year. Have a safe and happy weekend.

Certificates of Excellence

Team 1

Elise Johnson	Settling super well into Hornby Primary School and being a great friend
Jacob McQuarters	Being a superstar Tuakana (helper) in Rooms 8 & 9
Zander Smith	Great work at swimming - moving through the water
