Welcome back to Term 4. We have another busy term lined up with instructional swimming at the Canterbury Swim School, school swimming, athletics, end of year activities and senior Education Outside the Classroom activities (EOTC). A reminder that children require their swimming togs/towel and sunhat daily during the term.

Last Thursday we farewelled Mr Scott in the school gym. Simon had his wife and children, and his father in attendance. It was a fitting farewell for Simon who has been a significant contributor to the high profile established at the school over the past 5 years. Both children and staff spoke glowingly about Simon's contribution to the school since his arrival in 2008. On Tuesday the High School held a mihi whakatau to welcome Simon. The senior children and staff accompanied Simon to the High School and passed him over the High School at the end of the ceremony. Simon departs with our best wishes and aroha!

### Congratulations

To Mikayla Falconer and Nature Rewha in the Canterbury U13 girls basketball team which got 3rd in the regional competition. To Narteiau Robertson-Rangiaho for making the Mini Bro's NZ Maori Rugby League team

It has been a busy start to the term in Wahi Ako. Like all the classes we have been swimming every day and it's great to see the progress that everyone is making. We were lucky enough to have some of our pupils invited to help plant trees in Kyle Park. This was

a way to continue our learning about seeds and germination from Term 3.
