Staffing for Term 4

Next term Barbara Myall will be teaching in Room 10 replacing Mylessa Lee who has study commitments. Gary Roberts will be back as Principal. I will be spending my final week at Hornby Primary in week 1 of term 4 as Deputy Principal, before heading to the High School. I would like to take this opportunity to thank the Hornby Primary School community for the past 9 years. Hornby Primary is an amazing place to work and I leave here with fond memories. I have never worked with a more positive, hard working and innovative group of people. The children are incredible it has been a privilege to have been part of their journey at Hornby Primary School. Thank you very much for all of your support. I am looking forward to continuing working with this community at the High School.

Car Park Fencing

We are currently putting fencing around the staff car park. This had been identified as a potential hazardous area, so this will be making that area much safer for our community.

Anti Social Behaviour

It has been brought to our attention that there has been a group of teenagers displaying anti social behaviour in our community (No association with Hornby Primary or Hornby High School). If you witness any anti social behavior or are concerned about your safety or the safety of others please do not hesitate to contact the police on 111 or 344 1800.

Sports Fee

A reminder that the \$50 sports fee is due. All children who have paid will be attending swimming lessons at Canterbury Swim School starting on the first Monday of term 4. Bring togs, towel & swimming cap. Children who have not paid or made arrangement of a payment plan will not be attending these lessons. Payment details can be discussed with Kersten in the office. Please note this is heavily subsidised by the school.

Sports & Extra Curricular Activities Scholarships

We have been very lucky and received donations which are to be used for children to participate in extracurricular activities such as dance, music, martial arts, softball and other sports. If you are in need of financial assistance so your child/ren can participate in extracurricular activities please collect an application form from Kersten in the office. As a parent or caregiver you must be able to commit to providing transport to the chosen activity.

Enrolments

If you or someone that you know has a child or children needing to enrol at Hornby Primary next term or next year, could they please make contact with us at the office. We are currently organising classes for 2018 and need confirmation of numbers.

Google Roadshow

Last week we hosted the Google Roadshow. Only 4 schools in New Zealand were selected to host this. Approximately 70 Teachers and Principals attended the day. Part of the day was a school spotlight which was about Hornby Primary Schools journey to 1:1 digital classrooms. This was followed by a classroom tour. This was a great opportunity to promote what's happening at Hornby Primary School.

Holidays

Friday 29th September (tomorrow) is the last day of the term 3. Term 4 starts on Monday 16th October.

Regards

Simon

Nga mihi

We have come to the end of another exciting term. Room 10 have spent a busy term learning about life in the 1800's, designing and creating 1800's clothing from recycled materials, performing live for a wonderful cause. We have also been learning about computational thinking. It's been a roller-coaster of a journey that is coming to an end. Room 10 wishes everyone to have a safe and wonderful holidays and see you all next term for another exciting term.
