We had an overwhelming response to our recent burglary. Thank you to those people who came forward and provided information which led to the return of the stolen property. I would also like to thank Constable Megan Robertson who provided invaluable support.

Caught being a 'Tidy Kiwi' - Kelly Stevenson was spotted picking up paper that had overflowed from our yellow bins last week. Thank you Kelly for setting a great example for our children and school community!

We congratulate Tash Austin for being a worthy recipient at last night's Hornby Rotary Pride of Workmanship Awards held at the Hornby Workingmen's Club. Tash has been employed at HPS since 2014 and does a wonderful job supporting our children and staff - well done Tash!

A reminder that school will be finishing next Tuesday 26 June at 12.45pm for the teachers Paid Union Meeting (PUM).

#### **Trusted Trekker Report**

Senior classes are preparing for next week's Learning Conferences. They are preparing slideshows on their chromebooks with evidence they have achieved or made progress on their learning goals. For example, they may have a link to their blog that demonstrates they can use accurate punctuation, or they may have a video explaining a mathematics strategy. They will also identify their next learning steps.

### **Kapahaka**

Two weeks ago the bilingual unit and kapahaka group from the Hornby High School celebrated whakawhanaungatanga through performing a couple of kapahaka brackets. It was a fantastic evening with the gym packed full of whānau enjoying the performances and plenty of food to feed everyone. All of the tamariki stood proudly on the stage and performed to their personal best. Ka mau te wehi!

## Salu Salo

Recently our Filipino families celebrated Philippines Independence Day at a Salu Salo evening at Hornby High. Our children performed a traditional Filipino dance . A big thank you to Lyn DeGuzman for supporting our children and to Hornby High for the invitation.

## Tips for keeping our community warm

Drying clothes inside will create dampness and make your home harder to heat. If you have to dry your clothes inside, do so away from living areas and ventilate - e.g. put your clothes-airer in the laundry with the door shut and a window open or out in the garage.

For more energy tips and advice call Community Energy Action's free Energy Advice Service on **0800 GET WARM** or visit [www.cea.co.nz](http://www.cea.co.nz) or see Whaea Alice at school for more information.

## Rūma 4

Tēnā koutou e te whānau. We have been very busy in Rūma 4 this term. Our kaupapa has been 'Hāngaia te Pā' - Creating a pā. We have been learning all about what a Māori Pā used to look like and are currently in the middle of building our own pā! We were lucky enough to go on a haerenga to Kaiapoi Pā a few weeks ago. We had some experts tell us what happened there and they shared lots of interesting facts about the site. We will be running our school assembly next Friday (June 29th) and can't wait to share some stories and facts with you all. Also, here is our blog site - <http://rumawahaps.blogspot.com/> We would love you to have a look and leave a comment. Mihi atu ki a koutou.
