Tēnā koutou, talofa lava, bula vinaka, namaste, malo e lelei, kia orana, ni hoa, s̄baai-di, magandang umaga, xin chao, salam, sour sdey, kumusta, alaicom salam, greetings

Term 2 finishes at 3pm tomorrow. We hope you have a relaxing time away from school routines, if possible.

Reminder - if your child is being picked up for any reason between 9am and 3pm, please come to the office and sign your child out using the Vistab ipad.

Uru Mānuka Education Trust

Earlier in the year our application to register a charitable trust was accepted and we are now known as the Uru Mānuka Education Trust, which represents Yaldhurst, Gilberthorpe's, St Bernadette's, Hornby, South Hornby and Wigram Primary Schools, and Hornby High School.

Our trustees are; Garry Moore (Chair), Janine Morrell-Gunn, Jason Marsden, Rose Crossland and Daisy Timo-Lavea.

The purpose of the trust is to raise finance so we can continue the wonderful support provided since 2015-2017 by the Manaiakalani Education Trust (MET). For example, our Education Programme Leader who works with teachers in digital 1:1 classrooms across our seven schools. If you know of anyone, or businesses or organisations that may wish to support us, please ask them to contact Gary at the office.

Tips for Keeping Our Community Warm

Wipe the condensation off windows in the morning, or the moisture will evaporate into the air and make it harder to heat. 'Scoop' window wipers are available from *Community Energy Action* for \$20. These Condensation Squeegees are an efficient way of scooping up the moisture leaving windows dry. For more energy tips and advice call Community Energy Action's free Energy Advice Service on **0800 GET WARM** or visit www.cea.co.nz or see Whaea Alice at school for more information.

Fush Team of the Week

Congratulations to the Ruby netball team which were awarded the team of the week last Friday for their fantastic effort out on the courts. The previous weeks winners were the hockey team who won the award for their consistent enthusiasm and solid defence. A big thank you to Anton and Jess Matthews of Fush Wigram for their sponsorship.

Service Awards

We congratulate Tash Austin, a staff member who recently received a Service Award for her significant contribution to the local community, namely the Hornby Netball Club.

New Pupils

During the term we have welcomed Marleigh, Sienna, Samson, Junior, Juliet, David, Tarinda, Farhan, Taisyn, Quinn, Arora, Gary, Winter-Rose, Rableen, Arlo, Ezra, Maria, Uriah, Aroha, Shadrach, Heath, Xavier & Daniel into our school community.

Bi-lingual Unit

The bi-lingual unit has had a fabulous time creating nutritious, home made soup. The children worked very hard with their chopping and grating of vegetables and were very proud of their efforts and enjoyed drinking the finished product!!

Te Waka Una Visit

Today we had a visit from Te Waka Unua Bilingual unit (45 tamariki and staff) to share waiata, kōrero and whakawhanaungatanga. We started the morning welcoming them in the gym and then moved on to a kapahaka exchange. They then spent time in both Ruma 3 & 4 where the Hornby tamariki got to share their learning. The tamariki mixed really well and enjoyed spending time together. We finished up with a couple of games and they stayed for morning tea and play. A great example of manaakitanga from our tamariki. Tauke!

PB4L

Kete Cards are given out during play and lunch breaks to children who are seen to be doing the right thing. They don't have to do anything special, simply follow the HPS school values. The following children received the most Kete Cards for their rooms. Nijesh and Taurae, Laura, Mikaylah I and Shyne, Nevaeh M and April, Te Ararangi, Ellie, Nevaeh A-C, Malama, Brianna Jackson and Aroha K. It is great to see so many children doing the right thing. Unfortunately we don't always catch everyone, which is why we have our Fun Days, as a way of thanking them all for their effort. We hope they enjoyed their mufti-day and had fun doing something different on Wednesday.

It was good to have a sunny day for our Fun Day. Children could choose an activity for the afternoon. This was a small reward for their behaviour during the term, following the HPS values of Respect for themselves, others, the environment, and trying to work to their Personal Best. There were a variety of activities; soccer, a disco, gymnastics, wheels, beyblades, 2 art activities, lego/blocks/cars and cup stacking. Everyone seemed to enjoy their afternoon, and they can look forward to 2 Fun Days in Term 3.

Upcoming Events

Friday 6 July

Last day of term – finish at 3pm

9am – Assembly – all welcome

Monday 23 July

First day of term 3 – start at 8.55am

Ngā mihi

Gary

Last fortnights Personal Best Certificate winners were:

This fortnights Personal Best Certificate winners are:
