

13 September 2018

Tēnā koutou, talofa lava, bula vinaka, namaste, malo e lelei, kia orana, ni hoa, s̄baai-di, magandang umaga, xin chao, salam, sour sdey, kumusta, alaicom salam, greetings

A number of children are arriving very early to school in the mornings, some children are here before 8am. Classrooms do not open for children until 8.30am. Time before 8.30am is valuable planning and preparation time for teachers. We seek your cooperation and ask that children arrive at school as close as possible to 8.30am each morning - thanking you in anticipation.

School Disco

The PSG will be holding a school disco on Friday 21st September in the school gym. This will start at 4.30pm with a sausage sizzle, music will start at 5.30pm.

Sports Fee

A very important reminder that the \$50 per child must be paid in full by the end of term - Friday 28 September. Instructional swimming at the Canterbury Swim School starts the first day of Term 4. Families must have paid the \$50 per child by 28 September for children to participate - unfortunately there can be no exceptions.

Learn Create Share

A reminder to this year's Year 3 families. Children in Years 4-6 use a chromebook to support their learning. Year 4 children in 2019 will need a chromebook. We will have more information by the end of term how you can go about purchasing a chromebook for 2019. We strongly recommend you purchase a chromebook through the school as we are able to negotiate a very good bundle price that includes extended warranty, insurance and setup so the device is ready to use when it arrives.

Kids for Kids

Forty-eight children performed on Tuesday night at the Horncastle Events Centre. It was a wonderful event with great Kiwi music and lots of colour. All of our children represented the school in a very positive manner - well done children! Thank you to the parents who supported our children on the night and a big thank you to Miss D for all the preparation getting children ready for the big night! Thank you also to Miss Frost and Miss Doig for their support on the night.

Congratulations to Tom Heslop who won the Player of the Year Award for Hornby United AFC 10th Grade - well done Tom!

Senior children working with dietetic students on Tuesday

Upcoming Events

Friday 21 September

4.30-7pm School disco – includes sausage sizzle

Ngā mihi

Gary

During the last two weeks students in Room 10 have been working on writing newspaper articles. They have discovered that articles have long sentences, short paragraphs, are written in third person and past tense. They also know that articles have: who, where, when, why and what along with a catchy headline. Here are two newspaper articles about the Trekkers athletics practice.

Athletics Day

On Wednesday at Hornby Primary School all of the Trekkers were practicing athletics to try to qualify into Zones. The Trekkers at Hornby Primary School did rotations such as Shot Put, Sprints, Long Jump, High Jump, Discus and Long Distance. Athletics at school is fun and other schools should have Athletics Day.

By Corbyn

Awesome Athletics Activity

12.9.18

Yesterday in the afternoon Hornby Primary students had athletics. There were things like high jump, sprints, shot put, discus, long distance and long jump. The students had to do three rotations.

A year 5 student, called Konner, did sprints, long jump and discus. He said the afternoon was, “a great way to spend the afternoon and learn new skills.”

The students are getting ready for qualifying for zones.

Last fortnight's Personal Best Certificate recipients were:

This fortnight's Personal Best Certificate recipients are:

Room 1

Grace Sharing her ideas and being a great communicator
Taurae Showing good sportsmanship. Ka pai!

Room 2

Krystallynna Being such an amazing blogger after such a short time. Ka pai!
Lily Trying her personal best during reading time

Room 3

Hazel Tō kaha ki te whakaoti pai i āu mahi katoa. Fabulous finishing and
quality work
Kaley Ō pukenga ki te whakamhia te rangitaki. Being our expert in
managing blogs.

Room 4

Arabella Being a critical thinker during 'tōku tinana' kaupapa. Ka pai tō
mahī!
Roy Kei te kah haere tō reo Maori – you are doing so well with your
mihi. Ka pai e tama.

Room 5

Caleb For taking risks in the adventure playground
Subreen Learning her pink words

Room 6

Farhan Being a super listener
Gary Being a super listener

Room 7

Te Ararangi Being a confident leader in our class for Te wiki o te Reo Māori.
Ngā mihi.
Te Rawhiti Being a confident leader in our class for Te wiki o te Reo Māori.
Ngā mihi.

Room 8

Elijah Your outstanding efforts in reading. Well done!
Zachary Your outstanding efforts in maths. Keep it up!

Room 9

Riley Fantastic personal reading habits, enjoying reading

Room 10

Jacob Stepping up to challenges including sharing his digital knowledge
in a workshop
Venice Always being willing to try her personal best in all activities
Ako Ngātahi
Bryce Developing his oral language, growing in confidence and being a
great buddy to our junior class members

Finauselu Gaining confidence in participating and sharing ideas

Odin A wonderful effort preparing for the Student Summit and
responding positively to feedback

Samisoni Showing kindness and thoughtfulness and putting his personal best
into his learning
